Explanation regarding the External Auditors report “except for” comment

The Parish Council revalued some of the assets 24/25 to reflect the replacement cost for Insurance purposes ie the pump house from £2080 to £10000, the phone box from £1 to £1000, the new public notice board (this is an additional notice board) £0 to £500, the War Memorial from £1100 to £5000 but the 23/24 figures were not restated hence the “except for” comment.
